

## ***Rocket Phonics Classroom Treasure Hunt 2***

Children will have fun reading the clues and finding the treasure in this Rocket Phonics Treasure Hunt. Each clue is two-sided. One side is printed with regular type, and tells you where to hide the clue. The back side has the same clue with Rocket Phonics' unique prompts, or helpers.

Children all ages can join in the hunt. Even if your child is just starting to read, your child can read the clues – if your child has learned the 36 symbols of English from the Rocket Phonics Play & Read cards or the Rocket Phonics kit. Children already reading can just read the side with the plain clue. Your children will love the independence of reading the clues on their own.

What you will need: sticky tape, scissors. Possibly you will need to gather objects where clues will be hidden. (If you don't have that object, you may use a photo of that object.) Treasure included for four children.

### **Instructions to the parent or leader:**

1. Preview all clues before starting. Make sure you have in your hunt area the items named in the clues (for example, a TV, a closet door, and a Yellow Pages book). If you don't have an item, change the clue to an item you do have, such as a radio. OR find or draw a picture of that object and put the clue under that picture.
2. Notice that the introduction and each clue tell you where to put each clue.
3. Cut the clues apart. Depending on the number of children playing, you can split the introduction in two parts or not. Children all like to have an equal number of turns reading, so try to arrange that. If the turns aren't equal, just let them know ahead.
4. Hide the clues and treasure where each clue directs. Here is where they go:

Introduction: *Hold to give to first reader*

Clue 1: *Put under a mirror*

Clue 2: *Tape to a windowsill*

Clue 3: *Hide beneath a basket*

Clue 4: *Tape to a corner on the floor*

Clue 5: *Tape to a ruler or measuring tape*

Clue 6: *Tape to a ruler or measuring tape*

Clue 7: *Place at the bottom of a brown box*

Clue 8: *Place in an egg carton*

Clue 9: *Attach to a broom*

Clue 10: *Put in a small bell*

Clue 11: *Hide under the seat of a chair*

Treasure: *Put paper with treasure in a pot on a table*

5. Ask your child(ren) to read the clues aloud. You can have them read the clues either with or without helpers (prompting).
